

Conference Dinner - Australian National Maritime Museum (The Lighthouse Gallery)

Wednesday, 12 September 2018, 19:30 - 23:30

The Lighthouse Gallery has thirteen metre high windows that stretch the length of this stunning room giving the event a magnificent view of the waterfront and the city skyline. The Lighthouse Gallery is located directly next to our Cape Bowling Green Lighthouse and the guests will look out onto the former Navy submarine, HMAS Onslow. Its expansive ceilings space is an architectural feature of our iconic museum.

Further information about the Australian National Maritime Museum is available at www.anmm.gov.au.
